Alkin has been manufacturing high pressure air compressors since 1990. The top of the line compressors provide clean air for an array of applications ranging from diving and industrial to military and naval. Alkin compressors is a leading high pressure air compressor manufacturers in the world for designing scuba compressors, paint ball compressors, air gun compressors, fill stations and purifying systems.

Actuators & Controls, Automatic Control Valves, Backflow Preventers, Balancing Valves, Ball Valves, Butterfly Valves, Gates, Globes & Checks, Medical Gas Valves, Mixing Valves, Needle Valves, Pipeline Strainers, Plumbing & Heating, Safety Relief Valves, Water Pressure Reducing Valves.

Pumps:  
Armstrong manufacturer Hot Water Circulators, Wet Rotor Circulator, Variable Speed Circulators, Circulating Pumps with Union Connection.

EMERSON ASCO is the world leader in the control of fluids – air, gas, water, oil and steam. ASCO offer the most comprehensive line of fluid control solutions for a wide range of industry-focused application. ASCO have more than 50,000 highly reliable products encompassing solenoid valves, actuators and pressure & temperature switches.

Since its inception Buffaloes Fire Pump Inc has manufactured and shipped thousands of fire pumps throughout the world. Their product line includes in line, end suction, horizontal split case and vertical turbine fire Pumps which are all FM approved.

Beacon Medaes is a leader in medical gas and laboratory gas systems. Within the medical gas market, they specialize in NFPA and HTM-ISO standard products such as medical air systems, medical vacuum systems, WAGD plants, manifolds, monitoring equipment and pipeline components.

Bell & Gossett is a leading manufacturer of pumps, valves, heat exchangers and accessories for plumbing, wastewater and HVAC — including steam and heat transfer — applications. Products Available-PUMPS & CIRCULATORS, CONTROLLERS, HEAT EXCHANGERS, FLOW BALANCING PRODUCTS, HVAC SYSTEMS

CATO Western REPTECH Gauges:  
Industrial Supply gauges, Special Gauges, Liquid Filled Gauges, Process Gauges, Dry Utility Gauges, Special Purpose Gauges, Thermometers, Accessories.

Chromalox delivers Temperature Management Solutions for piping systems, valves, and tanks, Process Heating Solutions for revenue-generating industrial processes, Component Heating Solutions for industrial equipment manufacturers.

Crown Engineering Corporation is one of the largest manufactures of electrodes, flame rods, and probes for ignition related applications regarding oil and gas fired equipment. They also manufacture industrial igniters, couplers, putty, gauge glass, fractional V-Belts.

DUNGS is a synonym for safe and clean gas combustion. They develop and manufacture innovative system solutions for the thermal and process heating industry and gas engines. Products Available BURNER, PRESSURE REGULATORS, PRESSURE SWITCHES, SOLENOID VALVE, ACTUATORS, ACCESSORIES

Pressure Gauges, Air Velocity meters, Flow Transmitters, Flow Sensors, Bin Vibrators, Level Switches, Temperature gauges, Process Control Alarm Switch Modules, Chart Recorders, Data Loggers, Test Equipment, Valves.

For over 75 years, Forbes Marshall specialises in products and services for steam efficiency, process optimisation, and control and monitoring. Products we carry -Steam Engineering System, Complete Range of Steam Traps, Steam Valves, Pressure Reducing Valves, Condensate and Flash Steam Recovery System, Steam Metering, Boiler Emission and Efficiency Monitoring system, Control Valves and NVR, Strainers, Safety Valves

Franklin Electric is a global leader in the manufacturing and distribution of products and systems focused on the movement and management of water and fuel offering pumps, motors, drives, and controls for use in a wide variety of residential, commercial, agricultural, industrial, and municipal applications. Products Available: SUBMERSIBLE ELECTRIC MOTOR, PUMPS, MOTOR, DRIVES AND CONTROLS

FS Curtis Air Compressors:  
Rotary Screw Air Compressors, Oil Free Compressors, Air Treatment Accessories, Aftermarket Solutions.

Honeywell Combustion Safety products offers the most comprehensive portfolio of safety and service offerings. Honeywell is your partner for all your combustion safety and service needs. Products Available: FLAME SAFETY CONTROLS, PRESSURE/TEMPERATURE CONTROLS, COMBUSTION VALVES, FLAME SAFETY CONTROLS

ITT McDonnell & Miller: Boiler Controls and Power Switches. McDonnell and Miller are now part of ITT. The range of McDonnell & Miller includes several products for the petrochemical and process industries. McDonnell & Miller specializes particularly in Boiler Controls and power switches.

Invensys is now Schneider Electric Company Automation Software Computer-based Automation Hardware Systems Temperature Controllers Control Systems.

Through industry-leading expertise and proprietary blending techniques, Isel's engineers and chemists formulate lubricants of the highest quality for virtually every industrial application. Air Compressor Lubricants, NXT Refrigeration Lubricants, Caldera Heat Transfer Fluids, Industrial Lubricants.

Jomar has several patented and unique valve solutions in their products line. The most prominent of these being the Add-A-Valve, an emergency shut off device designed to eliminate shutdowns, the Filter Ball, a combination shut off valve and strainer.

KEERTHI PUMPS INDIA PRIVATE LIMITED being one of the pioneers in manufacturing of energy efficient industrial pumps with its latest Hydraulic Design & Technology has emerged as a prestigious brand in domestic and Global markets. PRODUCTS AVAILABLE- DEWATERING, WATER PUMPS, CHEMICAL PROCESS PUMPS, SLURRY PUMPS, MIXED FLOW PUMPS, VERTICAL PUMPS, AXIAL FLOW PUMPS, MULTISTAGE PUMPS

Kunkle delivers quality products from cryogenic to high temperature and vacuum to high pressure Steam, Air, Gas, and Liquid applications. Top industrial and commercial safety relief valve.

Legend offers more than 9,000 products representing 80 plus product classes designed for residential, commercial and industrial applications. Everything you may need for behind the wall, Legend has the most expansive offering of valves, fittings, tubing and components for plumbing and hydronic systems.

Lincoln is a manufacturer of automated lubrication systems, manual lubrication equipment and industrial pumping systems, and subsidiary of SKF. We provide all their products including their  
**HEAVY DUTY PUMPING PRODUCTS.**

Lochinvar is a leading producer of energy-efficient water heating solutions that are radically simple, brilliantly engineered and perfectly suited for most any application. Products available High Efficiency Boilers, Water Heaters, Pool Heaters, Cogeneration Products and Commercial Package Systems

For over 50 years, Parker has been improving the quality of air all around the world with products that define excellence. The Airguard brand acquired by Parker has air filtration products that provides the world with "Innovative Clean Air Solutions." Products we carry: Disposable Panel Filters, Air Cleaner Replacement Filters, Pleated Series Filters, Bag Filters, Rigid Cell Filters, Quad & Cube Filters, Poly Rings and Sleeves.

Filtration:  
Marine Filtration, RV Filtration, DIY Series, Designer Water Treatment, Filtration Replacement Cartridges.

Natural Gas Regulators with Large Capacity for Big Performance. Gas Meters, Gas Regulators, Diaphragm Meters.

Here you will find Siemens' comprehensive offering for automation technology and the digitalization of production. Automation Systems, Industrial Controls, Industrial Communication.

Square D by Schneider Electric is over 100 years old and is still providing the marketplace with innovative products designed for electricity and automation management. Square D lighting controls and circuit breakers have been lighting up industrial applications safely and efficiently for years. Products Available: T BREAKERS, LOW VOLTAGE PRODUCTS AND SYSTEM, BUILDING AUTOMATION CONTROL

TEADIT® Group is recognized worldwide as a leader in the development and manufacturing of innovative products for critical fluid sealing processes. The wide variety of sealing solutions developed by Teadit® have been important tools for many industries including the Refining, Chemical Process, and Power Generation industries.

Temperature Products: Tel-Tru is a manufacturer of bimetal and digital thermometers as well as other temperature instruments and related accessories. Pressure Gauges, pressure transmitters. Compost Thermometer, Photo Development Thermometer.

For over 135 years, Watson McDaniel has been manufacturing a wide range of steam specialty and fluid products for the industrial marketplace. These time-tested products have made the operation of steam, compressed air, heat transfer and fluid systems substantially more effective and efficient. Products Available-STEAM PRESSURE/TEMP. REGULATORS, STEAM TRAPS, PRESSURE POWER PUMPS

Watts is a global leader in providing quality water solutions for residential, industrial, municipal, and commercial settings. Watts Products that we carry- HOT WATER AND STEAM SPECIALTIES, WATER SOFTENERS, PLUMBING AND FLOW CONTROL SOLUTIONS, WATER QUALITY

U.S. SEAL MFG. is one of the leading suppliers of mechanical pump seals in the United States for over 60 years. The U.S. SEAL MFG. product line represents 95% of the replacement seal market. They offer a wide selection of head types and mating ring designs and stock thousands of seals in differing materials of construction.

Zurn Water Control products are designed to be easily installed, easy to maintain and to last for the life of the system, saving time and money. DRAINAGE, FINISH PLUMBING, SEPARATION PEX, WATER CONTROL AND WATER SAFETY
